

Sizewell C Notice to Mariners No 14 of 2024

Aid to Navigation Casualty

NOTICE IS HEREBY GIVEN: That following a recent inspection by the Harbour Master, it is reported that the Sizewell B Intake Tunnel aid to navigation is unlit. The beacon (pictured right) is positioned at:

Latitude: 052 ° 12.912 N

Longitude: 001 ° 37.600 E

This defect has been reported to Trinity House via the Local Aids to navigation Reporting System (LARS). EDF, the owner of the AtoN, has also been notified. Once inspected and maintained correctly, an updated local Notice to Mariners will be issued.
