

PORT OF FLEETWOOD

NOTICE to MARINERS 2 of 2025

Dredging of Fairway Channel within Wyre Dock Marina

Mariners are hereby advised that :

Dredging of the Fairway channel in Wyre Dock Marina is due to commence on Monday 13th January 2025.

Dredging will be **undertaken** by the backhoe dredger Wyre Bay which will excavate the material before transferring the material to the hopper barge Wyre River. The Wyre River will then transport the dredged material to the designated disposal area.

Mariners are requested to exercise extreme caution when navigating between the Wyre dock marina pontoons and the lock gates.

The dredge operations are estimated to continue until 18th January but may extend beyond this date

Richard Webb
Divisional Harbour Master
10th Jan 2025
